A REPTON SCHOOL

Uniform Guide

September 2025

INTRODUCTION

I am pleased to share the uniform for Marlborough House Vinehall.

We wanted the uniform to be modern and stylish, but also sensitive to the needs and requirements of school life in a country prep.

The Uniform Committee have worked hard to streamline the uniform lists and limit branding, to reduce costs for parents and increase their range of purchasing options.

We hope this brochure not only gives you an opportunity to see the uniform, but provides you with a clear picture of what is required for your child.

FAQS

When and where can I buy the uniform?

The uniform may be purchased from the Billings & Edmonds website. Simply register and log in via billingsandedmonds.co.uk. Our suppliers will offer free deliver to school during term time and free returns for 365 days.

Billings & Edmonds will be selling all uniform, with the exception of the Years 5 - 8 match tops which the school will purchase and hold, and the Pre-Prep skort. While all other items may be bought from B&E, parents are able to purchase some uniform from other providers, details of which are in the kit lists below.

Does my child need a school coat and bag?

While the school coat is not branded to reduce costs, please note that the Stormdri coat is a compulsory item for all year groups. It may be purchased via the school outfitters or Amazon (links in the kit lists below). Pre-Prep children will need a book bag and parents will need to purchase the MHV drawstring kit bag. Prep school children will need both the MHV rucksack and sports bag.

When selecting a House top, how do I know which House my child is in?

All pupils from Reception to Year 8 will be part of the MHV House system. The Houses are as follows: Green - Paxton, Red - Rushton, Blue - Ashton, Yellow - Saxton.
